

WOOH Golf Association Registration Form

The Women's Golf Association (WGA) of Oak Hollow is taking registration for ladies on our Tuesday league. Our maximum membership is 56. It is very important that you get your forms and check to Jan as soon as you can to insure your spot in the league. We encourage our ladies to participate in our scheduled Tuesday play days, exchanges, tournaments, and events throughout our golfing season.

Our season officially starts the first Tuesday of March and lasts until the last Tuesday in October. You are not required to be a member of the Oak Hollow Golf Course to be a member of the WGA. However, you must have a verifiable GHIN or USGA handicap to participate. If you do not have a GHIN handicap or need to renew your membership, you may establish one through Oak Hollow. If you have any questions regarding handicaps, please let us know.

Please check the items below that are included in your check and send one check for whatever you have checked:

WGA Annual Membership	\$45.00	_____
